Reasons for Allowance

1. Claims 17-21, 24-29 and 32-39 are allowed.
2. The following is an examiner's statement of reasons for allowance:

In previous Office Action of 10/14/2009, Examiner rejected claims 1-16, 22, 23, 30 and 31 but indicated that claims 17-21, 24-29 and 32-39 contained allowable subject matter and would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Applicant filed amendment on 2/11/2010 by cancelling all of the previously rejected claims, rewriting claims 17, 18, 24, 25, 29, 32 and 36, which contain previously indicated allowable subject matter, in independent form including all of the limitations of their base claim and intervening claims, and appropriately adjusting dependencies thereof. Said amendment therefore results in the allowance indicated in section 1 above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
